OTHER COMMENTS:

RECOMMENDATIONS:

- 1) Epoxy the first joint in the outlet pipe and very end of the pipe. This will prevent larger cracks from forming and exposure of the reinforcing metal within the concrete.
- 2) Spray willows along the shoreline.
- 3) Spray trees on the downstream side of the dam and those surrounding the Plunge Pool.
- 4) Leafy Spurge is starting to appear on the upstream face of the dam, and south of the Plunge Pool. Would recommend being very aggressive with the spraying program to eliminate this before the spread is uncontrollable. MN Department of Ag provides beetles to attack the plant naturally – contact the county’s ag inspector for information to obtain the beetles.
- 5) 6” crappies were seen in the pond with very clear water.

effect for the time period starting on the effective date hereof and ending on the date that corresponds to the date established by adding a time period equal to 125% of Useful Life of the Real Property and, if applicable, Facility to the date on which the Real Property and, if applicable, Facility is first used for the purpose set forth in Section 2.03 after such effective date. If there are no uncured Events of Default as of such date this Agreement shall terminate and no longer be of any force or effect, and the State Entity shall execute whatever documents are needed to release the Real Property and, if applicable, Facility from the effect of this Agreement and the Declaration.

Section 2.09 Modification and/or Early Termination of Grant. If the Project is not started on or before August 1, 2026, or such later date to which the Grant Recipient and the State Entity may agree in writing, then, the State Entity's obligation to fund the Grant shall terminate, and, in such event, (i) if none of the Grant has been disbursed by such date then the State Entity's obligation to fund any portion of the Grant shall terminate and this Agreement shall also terminate and no longer be of any force or effect, and (ii) if some but not all of the Grant has been disbursed by such date then the State shall have no further obligation to provide any additional funding for the Grant and this Agreement shall remain in full force and effect but shall be modified and amended to reflect the amount of the Grant that was actually disbursed as of such date.

In addition, if all of the Grant has not been disbursed on or before the date that is 5 years from the effective date of this Agreement, then the State Entity's obligation to continue to fund the Grant shall terminate, and, in such event, (y) if none of the Grant has been disbursed by such date then the State Entity's obligation to fund any portion of the Grant shall terminate and this Agreement shall also terminate and no longer be of any force or effect, and (z) if some but not all of the Grant has been disbursed by such date then the State Entity shall have no further obligation to provide any additional funding under the Grant and this Agreement shall remain in full force and effect but shall be modified and amended to reflect the amount of the Grant that was actually disbursed as of such date.

This Agreement shall also terminate and no longer be of any force or effect upon (a) the termination of the Grant Recipient's leasehold or easement interest in the Real Property in accordance with the terms of such lease or easement, or (b) the sale of the Grant Recipient's interest in the Real Property and, if applicable, the Facility in accordance with the provisions contained in Section 3.02 and transmittal of all or a portion of the proceeds of such sale to the Commissioner of Management and Budget in compliance with the provisions contained in Section 3.03. Upon such termination the State Entity shall execute and deliver to the Grant Recipient such documents as are required to release the Real Property and, if applicable, the Facility, from the effect of the Declaration.

In the event that the legislation that authorized the Grant is amended to increase or reduce the amount of the Grant or in any other way, then this Agreement shall be deemed to have been automatically modified in accordance with such amendment and the amount of the Grant shall also be automatically modified in accordance with such amendment.

Section 2.10 Effect of Event of Default. If an Event of Default occurs and the Grant Recipient is required to and does return the amount specified in Section 2.06.B to the Commissioner of Management and Budget, then the following shall occur.

A. This Agreement shall survive and remain in full force and effect.

B. The amount returned by the Grant Recipient shall be credited against any amount that shall be due to the Commissioner of Management and Budget under Section 3.03 and against any amount that becomes due and payable because of any other Event of Default.

Section 2.11 Excess Funds. If the full amount of the Grant and any matching funds referred to in Section 5.23 are not needed to complete the Project, then, unless language in the legislation that authorized the Grant indicates otherwise, the Grant shall be reduced by the amount not needed.

Article III - USE AND SALE

Section 3.01 Use Contracts. Each and every Use Contract that the Grant Recipient enters into must comply with the following requirements:

A. The purpose for which the Use Contract was entered into must be a governmental purpose.

B. It must contain a provision setting forth the statutory authority under which the Grant Recipient is entering into the Use Contract and must comply with the substantive and procedural provisions of such statute.

C. It must contain a provision stating that the Use Contract is being entered into in order to carry out the purpose for which the Grant was allocated and must recite the purpose.

D. It must be for a term, including any renewals that are solely at the option of the Grant Recipient, that is, if applicable, substantially less than the useful life of the structures and improvements that make up the Facility, but may allow for renewals beyond the original term upon a determination by the Grant Recipient that the use continues to carry out the specific purpose for which the Grant was allocated. A term that is equal to or shorter than 50% of the useful life of the structures and improvements that make up the Facility will meet the requirement that it be for a time period that is substantially shorter than the useful life of such structures and improvements.

E. It must allow for termination by the Grant Recipient in the event of a default thereunder by the Usee, or in the event that the specific purpose for which the Grant was allocated is terminated or changed.

F. It must require the Usee to pay all costs of operation and maintenance of the Real Property and, if applicable, the Facility, unless the Grant Recipient is authorized by law to pay such costs and agrees to pay such costs.

G. If the amount of the Grant exceeds \$200,000.00, then it must contain a provision requiring the Usee to list any vacant or new positions it may have with state workforce centers as required by Minn. Stat. § 116L.66, Subd. 1, as it may be amended, modified, or replaced from time to time, for the term of the Use Contract.

Section 3.02 Sale. The Grant Recipient shall not sell any part of its ownership interest in the Real Property or, if applicable, the Facility unless all of the following provisions have been complied with fully.

- B. The sale is made as authorized by law.
- C. The sale is for Fair Market Value.
- D. Written notice of such proposed sale has been supplied to both the State Entity and the Commissioner of Management and Budget at least 30 days prior thereto.

The acquisition of the Grant Recipient's interest in the Real Property and, if applicable, the Facility at a foreclosure sale, by acceptance of a deed-in-lieu of foreclosure, or enforcement of a security interest in personal property used in the operation of thereof, by a lender that has provided monies for the acquisition of the Grant Recipient's interest in or betterment of the Real Property and, if applicable, the Facility shall not be considered a sale for the purposes of this Agreement if after such acquisition the lender operates such portion of the Real Property and, if applicable, the Facility in a manner which is not inconsistent with the program specified in Section 2.03 and the lender uses its best efforts to sell such acquired interest to a third party for Fair Market Value. The lender's ultimate sale or disposition of the acquired interest in the Real Property and, if applicable, the Facility shall be deemed to be a sale for the purposes of this Agreement, and the proceeds thereof shall be disbursed in accordance with the provisions contained in Section 3.03.

Section 3.03 Proceeds of a Sale. Upon the sale of the Grant Recipient's interest in the Real Property and, if applicable, the Facility the net proceeds thereof shall be disbursed in the following manner and order.

A. The first distribution shall be to the Commissioner of Management and Budget in an amount equal to the amount of the Grant actually disbursed, and if the amount of such net proceeds shall be less than the amount of the Grant actually disbursed then all of such net proceeds shall be distributed to the Commissioner of Management and Budget.

B. The remaining portion, after the distribution specified in Section 3.03.A, shall be distributed to pay in full any outstanding public or private debt incurred to acquire the Grant Recipient's interest in or for the betterment of the Real Property and, if applicable, the Facility in the order of priority of such debt.

C. Any remaining portion, after the distributions specified in Sections 3.03A and B, shall be divided and distributed in proportion to the shares contributed to the acquisition of the Grant Recipient's interest in or for the betterment of the Real Property and, if applicable, the Facilities by public and private entities, including the State Entity but not including any private entity that has been paid in full, that supplied funds in either real monies or like-kind contributions for such acquisition and betterment, and the State Entity's distribution shall be made to the Commissioner of Management and Budget. Such public and private entities may agree amongst themselves as to any redistribution of such distributed funds.

The Grant Recipient shall not be required to pay or reimburse the State Entity for any funds above and beyond the full net proceeds of such sale, even if such net proceeds are less than the amount of the Grant actually disbursed.

Article IV - DISBURSEMENT OF GRANT PROCEEDS

Section 4.01 The Advances. The State Entity agrees, on the terms and subject to the conditions set forth herein, to make Advances from the Grant to the Grant Recipient from time to time in an aggregate total amount equal to the amount of the Grant. Provided, however, in accordance with the provisions contained in Section 2.08, the State Entity's obligation to make Advances shall terminate as of the date which occurs 5 years from the effective date of this Agreement even if all of the Grant has not been disbursed by such date.

It is the intent of the parties hereto that the rate of disbursement of the Advances shall not exceed the rate of completion of the Project or the rate of disbursement of the matching funds required, if any, under Section 5.23. Therefore, the cumulative amount of all Advances disbursed by the State Entity at any point in time shall not exceed the portion of the Project that has been completed and the percentage of the matching funds required, if any, under Section 5.23 that have been disbursed as of such point in time. This requirement is expressed by way of the following two formulas:

Formula #1

$$\text{Cumulative Advances} \leq (\text{Program Grant}) \times (\text{percentage of matching funds, if any, required under Section 5.23 that have been disbursed})$$

Formula #2

$$\text{Cumulative Advances} \leq (\text{Program Grant}) \times (\text{percentage of Project completed})$$

Section 4.02 Draw Requisitions. Whenever the Grant Recipient desires a disbursement of a portion of the Grant, which shall be no more often than once each calendar month, the Grant Recipient shall submit to the State Entity a Draw Requisition duly executed on behalf of the Grant Recipient or its designee. Each Draw Requisition shall be submitted on or between the 1st day and the 15th day of the month in which an Advance is requested and shall be submitted at least 7 calendar days before the date the Advance is desired. Each Draw Requisition with respect to construction items shall be limited to amounts equal to: (i) the total value of the classes of the work by percentage of completion as approved by the Grant Recipient and the State Entity, plus (ii) the value of materials and equipment not incorporated in the Project but delivered and suitably stored on or off the Project site in a manner acceptable to the State Entity, less (iii) any applicable retainage, and less (iv) all prior Advances.

Notwithstanding anything herein to the contrary, no Advances for materials stored on or off the Project site will be made by the State Entity unless the Grant Recipient shall advise the State Entity, in writing, of its intention to so store materials prior to their delivery and the State Entity has not objected thereto.

At the time of submission of each Draw Requisition, other than the final Draw Requisition, the Grant Recipient shall submit to the State Entity such supporting evidence as may be requested by the State Entity to substantiate all payments which are to be made out of the relevant Draw Requisition or to substantiate all payments then made with respect to the Project.

At the time of submission of the final Draw Requisition which shall not be submitted before substantial completion of the Project, including all landscape requirements and off-site utilities and streets needed for access to the Project and correction of material defects in workmanship or

materials (other than the completion of punch list items) as provided in the Construction Contract Documents, the Grant Recipient shall submit to the State Entity: (i) such supporting evidence as may be requested by the State Entity to substantiate all payments which are to be made out of the final Draw Requisition or to substantiate all payments then made with respect to the Project, and (ii) satisfactory evidence that all work requiring inspection by municipal or other governmental authorities having jurisdiction has been duly inspected and approved by such authorities, and that all requisite certificates of occupancy and other approvals have been issued.

If on the date an Advance is desired the Grant Recipient has complied with all requirements of this Agreement and the State Entity approves the relevant Draw Requisition and receives a current construction report from the Inspecting Engineer recommending payment, then the State Entity shall disburse the amount of the requested Advance to the Grant Recipient.

Section 4.03 Additional Funds from Grant Recipient. If the State Entity shall at any time in good faith determine that the sum of the undisbursed amount of the Grant plus the amount of all other funds committed to the completion of the Project is less than the amount required to pay all costs and expenses of any kind which reasonably may be anticipated in connection with the completion of the Project, then the State Entity may send written notice thereof to the Grant Recipient specifying the amount which must be supplied in order to provide sufficient funds to complete the Project. The Grant Recipient agrees that it will, within 10 calendar days of receipt of any such notice, supply or have some other entity supply the amount of funds specified in the State Entity's notice.

Section 4.04 Conditions Precedent to Any Advance. The obligation of the State Entity to make any Advance hereunder (including the initial Advance) shall be subject to the following conditions precedent:

A. The State Entity shall have received a Draw Requisition for such Advance specifying the amount of funds being requested, which such amount when added to all prior requests for an Advance shall not exceed the maximum amount of the Grant set forth in Section 1.01.

B. The State Entity shall have either received a duly executed Declaration that has been duly recorded in the appropriate governmental office, with all of the recording information displayed thereon, or evidence that such Declaration will promptly be recorded and delivered to the State Entity.

H. The State Entity shall have received evidence, in form and substance acceptable to the State Entity, that that all applicable and required building permits, other permits, bonds and licenses necessary for the completion of the Project have been paid for, issued, and obtained, other than those permits, bonds and licenses which may not lawfully be obtained until a future date or those permits, bonds and licenses which in the ordinary course of business would normally not be obtained until a later date.

I. The State Entity shall have received evidence, in form and substance acceptable to the State Entity, that that all applicable and required permits, bonds and licenses necessary for the operation of the Real Property and, if applicable, the Facility in the manner specified in Section 2.03 have been paid for, issued, and obtained, other than those permits, bonds and licenses which may not lawfully be obtained until a future date or those permits, bonds and licenses which in the ordinary course of business would normally not be obtained until a later date.

K. The State Entity shall have received evidence, in form and substance acceptable to the State Entity, that that the Grant Recipient has the ability and a plan to fund the program which will be operated on the Real Property and, if applicable, in the Facility.

L. The State Entity shall have received evidence, in form and substance acceptable to the State Entity, that the Construction Contract Documents are in place and are fully and completely enforceable.

M. The State Entity shall have received evidence, in form and substance acceptable to the State Entity, that the Contractor will complete the Project substantially in conformance with the Construction Contract Documents and pay all amounts lawfully owing to all laborers and materialmen who worked on the Project or supplied materials therefor, other than amounts being contested in good faith. Such evidence may be in the form of payment and performance bonds in amounts equal to or greater than the amount of the fixed price or guaranteed maximum price contained in the Construction Contract Documents which name the State Entity and the Grant Recipient dual obligees thereunder, or such other evidence as may be acceptable to the Grant Recipient and the State Entity.

N. The State Entity shall have received evidence, in form and substance acceptable to the State Entity, that the policies of insurance required under Section 5.01 are in full force and effect.

O. The State Entity shall have received evidence, in form and substance acceptable to the State Entity, of compliance with the provisions and requirements specified in Section 5.10 and all additional applicable provisions and requirements contained in Minn. Stat. § 16B.335 that exists as of the date of this Agreement and as such may subsequently be amended, modified, or replaced from time to time. Section 4.05 Construction Inspections. If the Grant Recipient elects to only partially repair such damage, then the portion of the insurance proceeds which are not used for such repair shall be applied in accordance with the provisions contained in Section 3.03 as if the Grant Recipient's interest in the Real Property and Facility, if such exists, had been sold, and such amounts shall be credited against the amounts due and owing under Section 3.03 upon the ultimate sale of the Grant Recipient's interest in the Real Property and Facility, if such exists. If the Grant Recipient elects to sell its interest in the Real Property and the damaged Facility, if such exists, then such sale must occur within a reasonable time period from the date the damage occurred and the cumulative sum of the insurance proceeds plus the proceeds of such sale must be applied in accordance with the provisions contained in Section 3.03, with the insurance proceeds being so applied within a reasonable time period from the date they are received by the Grant Recipient.

As loss payee under the insurance required herein the State Entity agrees to and will assign or pay over to the Grant Recipient all insurance proceeds it receives so that the Grant Recipient can comply with the requirements that this Section 5.01 imposes upon the Grant Recipient as to the use of such insurance proceeds.

If the Grant Recipient elects to maintain general comprehensive liability insurance regarding the Real Property and Facility, if such exists, then the Grant Recipient shall have the State Entity named as an additional named insured therein.

At the written request of either the State Entity or the Commissioner of Management and Budget, the Grant Recipient shall promptly furnish thereto all written notices and all paid premium receipts received by the Grant Recipient regarding the required insurance, or certificates of insurance evidencing the existence of such required insurance.

Section 5.02 Condemnation. If all or any portion of the Real Property and, if applicable, the Facility is condemned to an extent that the Grant Recipient can no longer comply with the provisions contained in Section 2.03, then the Grant Recipient shall, at its sole option and discretion, either: (i) use or cause the condemnation proceeds to be used to acquire an interest in additional real property needed for the Grant Recipient to continue to comply with the provisions contained in Section 2.03 and, if applicable, to fully or partially restore the Facility and to provide or cause to be provided whatever additional funds that may be needed for such purposes, or (ii) sell the remaining portion of its interest in the Real Property and, if applicable, the Facility in accordance with the provisions contained in Section 3.02. Any condemnation proceeds which are not used to acquire an interest in additional real property or to restore, if applicable, the Facility shall be applied in accordance with the provisions contained in Section 3.03 as if the Grant Recipient's interest in the Real Property and, if applicable, the Facility had been sold, and such

amounts shall be credited against the amounts due and owing under Section 3.03 upon the ultimate sale of the Grant Recipient's interest in the Real Property and, if applicable, the Facility. If the Grant Recipient elects to sell its interest in the portion of the Real Property and, if applicable, the Facility that remains after the condemnation, then such sale must occur within a reasonable time period from the date the condemnation occurred and the cumulative sum of the condemnation proceeds plus the proceeds of such sale must be applied in accordance with the provisions contained in Section 3.03, with the condemnation proceeds being so applied within a reasonable time period from the date they are received by the Grant Recipient.

As recipient of any of condemnation awards or proceeds referred to herein, the State Entity agrees to and will disclaim, assign, or pay over to the Grant Recipient all of such condemnation awards or proceeds it receives so that the Grant Recipient can comply with the requirements which this Section 5.02 imposes upon the Grant Recipient as to the use of such condemnation awards or proceeds.

Section 5.03. Use, Maintenance, Repair and Alterations. The Grant Recipient shall not, without the written consent of the State Entity, permit or suffer the use of any of the Real Property and, if applicable, the Facility, for any purpose other than the use for which the same is intended as of the effective date of this Agreement. In addition, the Grant Recipient: (i) shall keep the Real Property and, if applicable, the Facility, in good condition and repair, subject to reasonable and ordinary wear and tear, (ii) shall not, written consent of the State Entity, remove, demolish or substantially alter (except such alterations as may be required by laws, ordinances or regulations) any of the Facility, if applicable, (iii) shall not do any act or thing which would unduly impair or depreciate the value of the Real Property and, if applicable, the Facility, (iv) shall not abandon the Real Property and, if applicable, the Facility, (v) shall complete promptly and in good and workmanlike manner any building or other improvement which may be constructed on the Real Property and promptly restore in like manner any portion of the Facility, if applicable, which may be damaged or destroyed thereon and pay when due all claims for labor performed and materials furnished therefor, (vi) shall comply with all laws, ordinances, regulations, requirements, covenants, conditions and restrictions now or hereafter affecting the Real Property and, if applicable, the Facility, or any part thereof, or requiring any alterations or improvements thereto, (vii) shall not commit or permit any waste or deterioration of the Real Property and, if applicable, the Facility, (viii) shall keep and maintain abutting grounds, sidewalks, roads, parking and landscape areas in good and neat order and repair, (ix) shall comply with the provisions of any lease if the Grant Recipient's interest in the Real Property and, if applicable, the Facility, is a leasehold interest, (x) shall comply with the provisions of any condominium documents if the Real Property and, if applicable, the Facility, is part of a condominium regime, (xi) shall not remove any fixtures or personal property from the Real Property and, if applicable, the Facility, that was paid for with the proceeds of the Grant unless the same are immediately replaced with like property of at least equal value and utility, and (xii) shall not commit, suffer or permit any act to be done in or upon the Real Property and, if applicable, the Facility, in violation of any law, ordinance or regulation.

Section 5.04 Records Keeping and Reporting. The Grant Recipient shall maintain or cause to be maintained books, records, documents and other evidence pertaining to the costs or expenses associated with the completion of the Project and operation of the Real Property and, if applicable, the Facility, and compliance with the requirements contained in this Agreement, and upon request shall allow or cause the entity which is maintaining such items to allow the State

Entity, auditors for the State Entity, the Legislative Auditor for the State of Minnesota, or the State Auditor for the State of Minnesota, to inspect, audit, copy, or abstract, all of its books, records, papers, or other documents relevant to the Grant. The Grant Recipient shall use or cause the entity which is maintaining such books and records to use generally accepted accounting principles in the maintenance of such books and records, and shall retain or cause to be retained all of such books, records, documents, and other evidence for a period of 6 years from the date that the Project is fully completed and placed into operation.

Section 5.05 Inspection of Facility After Completion. Upon reasonable request by the State Entity the Grant Recipient shall allow, and will require any entity to whom it leases, subleases, or enters into a Use Contract for any portion of the Real Property and, if applicable, the Facility to allow, the State Entity to inspect the Real Property and, if applicable, the Facility.

Section 5.06 Data Practices. The Grant Recipient agrees with respect to any data that it possesses regarding the Grant, the Project, or the Real Property and, if applicable, the Facility, to comply with all of the provisions and restrictions contained in the Minnesota Government Data Practices Act contained in Chapter 13 of the Minnesota Statutes that exists as of the date of this Agreement and as such may subsequently be amended, modified or replaced from time to time.

Section 5.07 Non-Discrimination. The Grant Recipient agrees to not engage in discriminatory employment practices in the completion of the Project, or operation or management of the Real Property and, if applicable, the Facility, and it shall, with respect to such activities, fully comply with all of the provisions contained in Minn. Stat. Chapters 363A and 181 that exists as of the date of this Agreement and as such may subsequently be amended, modified or replaced from time to time.

Stat. §§ 176.181, Subd. 2 and 176.182 that exists as of the date of this Agreement and as such may subsequently be amended, modified, or replaced from time to time, with respect to the completion of the Project, and the operation or management of the Real Property and, if applicable, the Facility.

Section 5.09 Antitrust Claims. The Grant Recipient hereby assigns to the State Entity and the Commissioner of Management and Budget all claims it may have for over charges as to goods or services provided in its completion of the Project, and operation or management of the Real Property and, if applicable, the Facility that arise under the antitrust laws of the State of Minnesota or of the United States of America.

Section 5.10 Review of Plans and Cost Estimates. The Grant Recipient agrees to comply with all applicable provisions and requirements contained in Minn. Stat. § 16B.335 that exists as of the date of this Agreement and as such may subsequently be amended, modified or replaced from time to time, for the Project, and in accordance therewith the Grant Recipient and the State Entity agree to comply with the following provisions and requirements if such provisions and requirements are applicable.

A. The Grant Recipient shall provide all information that the State Entity may request in order for the State Entity to determine that the Project will comply with the provisions and requirements contained in Minn. Stat. § 16B.335, as it may be amended, modified, or replaced from time to time.

B. Prior to its proceeding with design activities for the Project the Grant Recipient shall prepare a predesign package and submit it to the Commissioner of Administration for the State of Minnesota for review and comment. The predesign package must be sufficient to define the purpose, scope, cost, and projected schedule for the Project, and must demonstrate that the Project has been analyzed according to appropriate space and needs standards. Any substantial changes to such predesign package must be submitted to the Commissioner of Administration for the State of Minnesota for review and comment.

C. If the Project includes the construction of a new building, substantial addition to an existing building, a substantial change to the interior configuration of an existing building, or the acquisition of an interest in land, then the Grant Recipient shall not prepare final plans and specifications until it has prepared a program plan and cost estimates for all elements necessary to complete the Project and presented them to the Chairs of the Minnesota State Senate Finance Committee and Minnesota House of Representatives Ways and Means Committee and the chairs have made their recommendations, and it has notified the Chair and Ranking Minority Member of the Minnesota House of Representatives Capital Investment Committee and the Chair and Ranking Minority Member of the Minnesota State Senate Capital Investment Committee. The program plan and cost estimates must note any significant changes in the work to be performed on the Project, or in its costs, which have arisen since the appropriation from the legislature for the Project was enacted or which differ from any previous predesign submittal.

D. The Grant Recipient must notify the Chairs and Ranking Minority Members of the Minnesota State Senate Finance and Capital Investment Committees, and the Minnesota House of Representatives Capital Investment and Ways and Means Committees of any significant changes to the program plan and cost estimates referred to in Section 5.10.C.

E. The program plan and cost estimates referred to in Section 5.10.C must ensure that the Project will comply with all applicable energy conservation standards contained in law, including Minn. Stat. §§ 216C.19 to 216C.20, as they may be amended, modified, or replaced from time to time, and all rules adopted thereunder.

F. If any of the Grant is to be used for the construction or remodeling of the Facility, then both the predesign package referred to in Section 5.10.B and the program plan and cost estimates referred to in Section 5.10.C must include provisions for cost-effective information technology investments that will enable the occupant of the Facility to reduce its need for office space, provide more of its services electronically, and decentralize its operations.

G. If the Project does not involve the construction of a new building, substantial addition to an existing building, substantial change to the interior configuration of an existing building, or the acquisition of an interest in land, then prior to beginning work on the Project the Grant Recipient shall just notify the Chairs and Ranking Minority Members of the Minnesota State Senate Finance and Capital Investment Committees, and the Minnesota House of Representatives Capital Investment and Ways and Means Committees that the work to be performed is ready to begin.

H. The Project must be: (i) completed in accordance with the program plan and cost estimates referred to in Section 5.10.C, (ii) completed in accordance with the time schedule

contained in the program plan referred to in Section 5.10.C, and (iii) completed within the budgets contained in the cost estimates referred to in Section 5.10.C.

Provided, however, the provisions and requirements contained in this Section 5.10 only apply to public lands or buildings or other public improvements of a capital nature, and shall not apply to the demolition or decommissioning of state assets, hazardous material projects, utility infrastructure projects, environmental testing, parking lots, parking structures, park and ride facilities, bus rapid transit stations, light rail lines, passenger rail projects, exterior lighting, fencing, highway rest areas, truck stations, storage facilities not consisting primarily of offices or heated work areas, roads, bridges, trails, pathways, campgrounds, athletic fields, dams, floodwater retention systems, water access sites, harbors, sewer separation projects, water and wastewater facilities, port development projects for which the Commissioner of Transportation for the State of Minnesota has entered into an assistance agreement under Minn. Stat. § 457A.04, as it may be amended, modified or replaced from time to time, ice centers, local government projects with a construction cost of less than \$1,500,000.00, or any other capital project with a construction cost of less than \$750,000.00.

Section 5.11 Prevailing Wages. The Grant Recipient agrees to comply with all of the applicable provisions contained in Chapter 177 of the Minnesota Statutes, and specifically those provisions contained in Minn. Stat. §§ 177.41 through 177.435, as they may be amended, modified, or replaced from time to time with respect to the Project and the operation of the Real Property and, if applicable, Facility as intended by the Minnesota Legislature. By agreeing to this provision, the Grant Recipient is not acknowledging or agreeing that the cited provisions apply to the Project or to the operation of the Real Property and, if applicable, Facility.

Section 5.12 Liability. The Grant Recipient and the State Entity agree that they will, subject to any indemnifications provided herein, be responsible for their own acts and the results thereof to the extent authorized by law, and they shall not be responsible for the acts of the other party and the results thereof. The liability of both the State Entity and the Commissioner of Management and Budget is governed by the provisions contained in Minn. Stat. § 3.736, as it may be amended, modified, or replaced from time to time. If the Grant Recipient is a “municipality” as such term is used in Chapter 466 of the Minnesota Statutes that exists as of the date of this Agreement and as such may subsequently be amended, modified or replaced from time to time, then the liability of the Grant Recipient, including but not limited to the indemnification provided under Section 5.13, is governed by the provisions contained in such Chapter 466.

Section 5.13 Indemnification by the Grant Recipient. The Grant Recipient shall bear all loss, expense (including attorneys’ fees), and damage in connection with the completion of the Project or operation of the Real Property and, if applicable, the Facility, and agrees to indemnify and hold harmless the State Entity, the Commissioner of Management and Budget, and the State of Minnesota, their agents, servants and employees from all claims, demands and judgments made or recovered against the State Entity, the Commissioner of Management and Budget, and the State of Minnesota, their agents, servants and employees, because of bodily injuries, including death at any time resulting therefrom, or because of damages to property of the State Entity, the State of Minnesota, or others (including loss of use) from any cause whatsoever, arising out of, incidental to, or in connection with the completion of the Project or operation of the Real Property and, if applicable, the Facility, whether or not due to any act of omission or commission, including negligence of the Grant Recipient or any Contractor or his or their employees, servants or agents,

and whether or not due to any act of omission or commission (excluding, however, negligence or breach of statutory duty) of the State Entity, the Commissioner of Management and Budget, and the State of Minnesota, their employees, servants or agents.

The Grant Recipient further agrees to indemnify, save, and hold the State Entity, the Commissioner of Management and Budget, and the State of Minnesota, their agents and employees, harmless from all claims arising out of, resulting from, or in any manner attributable to any violation by the Grant Recipient, its officers, employees, or agents, or by any Usee, its officers, employees, or agents, of any provision of the Minnesota Government Data Practices Act, including legal fees and disbursements paid or incurred to enforce the provisions contained in Section 5.06.

The Grant Recipient's liability hereunder shall not be limited to the extent of insurance carried by or provided by the Grant Recipient, or subject to any exclusions from coverage in any insurance policy.

Section 5.14 Relationship of the Parties. Nothing contained in this Agreement is intended or should be construed in any manner as creating or establishing the relationship of co-partners or a joint venture between the Grant Recipient, the State Entity, or the Commissioner of Management and Budget, nor shall the Grant Recipient be considered or deemed to be an agent, representative, or employee of either the State Entity, the Commissioner of Management and Budget, or the State of Minnesota in the performance of this Agreement, the completion of the Project, or operation of the Real Property and, if applicable, the Facility.

The Grant Recipient represents that it has already or will secure or cause to be secured all personnel required for the performance of this Agreement and the completion of the Project and the operation and maintenance of the Real Property and, if applicable, the Facility. All personnel of the Grant Recipient or other persons while engaging in the performance of this Agreement, the completion of the Project, or the operation and maintenance of the Real Property and, if applicable, the Facility shall not have any contractual relationship with either the State Entity, the Commissioner of Management and Budget, or the State of Minnesota and shall not be considered employees of any of such entities. In addition, all claims that may arise on behalf of said personnel or other persons out of employment or alleged employment including, but not limited to, claims under the Workers' Compensation Act of the State of Minnesota, claims of discrimination against the Grant Recipient, its officers, agents, contractors, or employees shall in no way be the responsibility of either the State Entity, the Commissioner of Management and Budget, or the State of Minnesota. Such personnel or other persons shall not require nor be entitled to any compensation, rights, or benefits of any kind whatsoever from either the State Entity, the Commissioner of Management and Budget, or the State of Minnesota including, but not limited to, tenure rights, medical and hospital care, sick and vacation leave, disability benefits, severance pay and retirement benefits.

This Agreement and the Declaration shall be binding upon and inure to the benefit of the Grant Recipient and the State Entity, and their respective successors and assigns. Provided, however, that neither the Grant Recipient nor the State Entity may assign any of its rights or obligations under this Agreement or the Declaration without the prior written consent of the other party. No change or modification of the terms or provisions of this Agreement or the Declaration shall be binding on either the Grant Recipient or the State Entity unless such change or modification is in writing and signed by an authorized official of the party against which such change or modification is to be imposed.

Section 5.17 Waiver. Neither the failure by the Grant Recipient, the State Entity, or the Commissioner of Management and Budget, as a third party beneficiary of this Agreement, in any one or more instances, to insist upon the complete and total observance or performance of any term or provision hereof, nor the failure of the Grant Recipient, the State Entity, or the Commissioner of Management and Budget, as a third party beneficiary of this Agreement, to exercise any right, privilege, or remedy conferred hereunder or afforded by law shall be construed as waiving any breach of such term, provision, or the right to exercise such right, privilege, or remedy thereafter. In addition, no delay on the part of either the Grant Recipient, the State Entity, or the Commissioner of Management and Budget, as a third-party beneficiary of this Agreement, in exercising any right or remedy hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any right or remedy preclude other or further exercise thereof or the exercise of any other right or remedy.

Section 5.18 Entire Agreement. This Agreement, the Declaration, and the documents, if any, referred to and incorporated herein by reference embody the entire agreement between the Grant Recipient and the State Entity, and there are no other agreements, either oral or written, between the Grant Recipient and the State Entity on the subject matter hereof.

Section 5.19 Choice of Law and Venue. Section 5.21 Time of Essence. Time is of the essence with respect to all of the matters contained in this Agreement.

Section 5.22 Counterparts. This Agreement may be executed in any number of counterparts, each of which when so executed and delivered shall be an original, but such counterparts shall together constitute one and the same instrument.

Section 5.23 Matching Funds. The Grant Recipient must obtain and supply the following matching funds, if any, for the completion of the Project:

(If there are no matching funds requirements then insert the word “NONE”.)

Any matching funds which are intended to meet the above requirements must either be in the form of (i) cash monies, (ii) legally binding commitments for money, or (iii) equivalent funds or contributions, including equity, which have been or will be used to complete or pay for the Project. The Grant Recipient shall supply to the Commissioner of Management and Budget whatever documentation the Commissioner of Management and Budget may request to substantiate the availability and source of any matching funds, and the source and terms relating to all matching funds must be consented to, in writing, by the Commissioner of Management and Budget.
