

# Please join us for an Open House to discuss proposed amendments to the Redwood County Zoning Ordinance.

Wabasso Community  
Center

Wednesday, March 28  
5:00 - 8:00 p.m.

## Why should you care?

The Zoning Ordinance is what controls land use in the County. The Ordinance directs where certain activities can and cannot take place. Every resident in the County is affected by the Zoning Ordinance. While most ordinance sections are only proposed to have minor changes, now is a great time to provide input and gain a better understanding of how zoning works in the County.
