County Ditch 22A

In the Matter of:

**the Redetermination of Benefits of
CD 22A**

**FINDINGS AND ORDER
INITIATING THE REDETERMINATION
OF BENEFITS AND APPOINTING
VIEWERS**

The Redwood County Board of Commissioners, sitting as the drainage authority for CD 22A, pursuant to Minn. Stat. § 103E.351, based on the record and proceedings, Commissioner Theis moved, seconded by Commissioner Van Hee to adopt the following Findings and Order:

Findings:

1. The Redwood County Board of Commissioners is the drainage authority for CD 22A.
2. CD 22A was established in 1952. Benefits for CD 22A were determined concurrent with establishment in 1952, prior to the initiation of modern, intensive farming and drainage practices within Redwood County.
3. The current benefits roll reflects the benefitted properties, benefitted areas, and benefit values as determined by viewers based on assumptions regarding the future use and drainage of said properties.
4. Since the original establishment of CD 22A and the original determination of benefits and damages, land uses and drainage practices have changed to accelerate and increase the flow of water to the drainage system changing the nature and value of benefits accruing to lands from construction of CD 22A.
5. Since the original determination of benefits and damages, land values have changed within the benefitted area of CD 22A.
6. The drainage authority finds that the conditions required for the initiation of a redetermination of benefits exist, that the original benefits and damages do not reflect reasonable present day land values, and the benefitted areas have changed.

Order:

Based on the foregoing Findings and the entire record of proceedings before the Board, the Board, acting as the drainage authority for CD 22A, hereby orders as follows:

- A. The Board shall follow the procedures of Minn. Stat. § 103E.351 to conduct a redetermination of benefits for CD 22A.
- B. That Mark Behrends, Robert Hansen, Kendall Langseth, Bruce Ness, and Welsey Dahl are hereby appointed as viewers to redetermination and report the benefits and damages for CD 22A.

After discussion, the Board Chair called the question. The question was on the adoption of the foregoing findings and order, and there were 5 yeas, 0 nays, 0 absent, and 0 abstentions as follows:
