TO: Landowners of County Ditch No. 20

RE: Notice of Preliminary Hearing

Hearing:

The Redwood County Commissioners, acting as the drainage authority of County Ditch No. 20, will hold a public hearing on Tuesday, July 15, 2025, at 10:00 A.M. in the Board Room of the Redwood County Government Center, 403 South Mill Street, in Redwood Falls, Minnesota. The purpose of this hearing is to review and consider the preliminary engineer's report on the petition for improvement to the ditch system with the installation of larger and deeper tile and open ditch. All members of the County Ditch No. 20 drainage system and the general public who are interested or have concerns regarding the aforementioned proposal are encouraged to attend.

Informational Meeting:

Prior to the hearing, an informational meeting will be held at the request of ISG, the Engineer, to discuss the Preliminary Engineers Report (PER) for the project. The informational meeting will be held on Tuesday, July 8, 2025, at 10:00 A.M. in the Board Room of the Redwood County Government Center, 403 South Mill Street, in Redwood Falls, Minnesota. ISG has completed the necessary reports and would like to receive feedback from landowners. Informational meeting allows for informal discussion and questions prior to the hearing. If you have any private tile maps that may be affected by the proposed project, ISG would appreciate a copy of them to minimize the disturbance of the tile. If you are unable to make a copy, ISG can scan your original at the meeting for our records.

The preliminary engineers report is available under the "Drainage Proceedings" tab on the Environmental Department page on the Redwood County website. <https://redwoodcounty-mn.us/departments/environmental-office/>

If you need further information regarding this hearing, please contact Redwood County Environmental Director Nick Brozek at 507-637-4023.

Respectfully,

Nick Brozek
Redwood County Environmental Director
