

TO: Landowners of Redwood County CD-20

RE: Landowner informational meeting

Thursday March 26, 2026, 10:00 AM
Redwood County Government Center
MN West Room
403 South Mill Street
Redwood Falls, Minnesota 56283

A petition for an Improvement to Redwood County CD-20 has been received by the Redwood County Drainage Authority. Viewers have been appointed to determine the benefits and damages to all property within the watershed of CD-20. The parcel benefit value is used to calculate a percentage of total benefits. These percentages are then used to determine how much each parcel pays for repairs, maintenance and possible Improvement of the County drainage system.

The Viewers will explain the viewing process and listen to any concerns. The project Engineer will be there to answer questions on the proposed Improvement.

Landowners are encouraged to attend.
