

Redwood County Emergency Notification System

The Redwood County Sheriff's Office has selected a new emergency notification system to ensure the timely delivery and notification of local events including severe weather, public safety threats, and critical alerts aimed to increase resident awareness in our community! This new system is known as Regroup.

Sign up is simple and free when using our link! It takes only a couple minutes to register and choose a delivery method with how you wish to receive alerts when the information you provide falls into the impacted radius of an incident. In the age of information, choose to stay informed!

🚨 ⚠️ Weather Warnings
